The Columbia State came out in a recent issue with the front page headed: "North-East-Graft-South-West." Graft had appeared in South Carolina, and graft was the subject matter of the entire front page. Graft, graft, graft everywhere, but the day of reckoning is sure to come, and then woe to the grafters.—Exchange.

Newspapers, like the ministers of the gospel, are expected always to stand for all that is best in the community in which they are published. A newspaper that will wink at wrong doing and help cloak rascality deserves the contempt that is usually given its owner. All honest newspaper men are found battling for the good morals of the community.

### Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me, if I had any business to attend to, I had better attend to it at once, as I could not live another month, as there was nothing to cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles of it, I began to get better and continued to improve until I was entirely well." Sold by all dealers.

### Cures Winter Cough.

J. F. Gover, 101 North Main Street, Ottawa, Kansas, writes: "Every fall it has been my wife's trouble to catch a severe cold, and, therefore, to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to be up and well." 25c, 50c and \$1.00. For sale by all druggists.

### Cures Chills and Fever.

G. W. Wirt, Nacogdoches, Texas, says: "His daughter had chills and fever for three years; he could not find anything that would help her till he used Herbine. His wife will not keep house without it, and cannot say too much for it." 50 cents. For sale by all druggists.

The little lady typewriter employed in the capitol who was lambasting this newspaper in a leading store in this city one day last week, because we have dared say something about their bosses, is informed that this paper does not wish, nor would it advocate, the cutting down of their salaries, which, we are informed, are about \$50 or \$60 per month; but we do think if the Comptroller's lady typewriter gets and earns \$100 per month, each and every other lady typewriter in the capitol should receive the same salary. That's it in a nutshell—nothing more, nothing less.

### Makes Homely Women Pretty.

### Saved His Life.

J. W. Davenport, Wingo, Ky., writes June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well.

It is a wonderful medicine, and I recommend it to suffering humanity. For sale by all druggists.
